"Back To The Future"
CROSSLINK
National Gathering

With apologies to Robert Zemeckis, director of the famous movie trilogy, we figured we would try and build a national gathering for Crosslink people that would attempt to re-discover some very basic themes and values for us: foundational tools. It will be a collage of presentation, Q and A and sharing stories.

I am delighted that Rod Denton has agreed to come and give input. As an Australian Christian leader he has pioneered ministry in Melbourne and Adelaide. For many years he has been involved in teaching Christian leadership in some of the riskiest parts of Asia. He brings a rare blend of Biblical insight, pragmatic experience and an ability to focus and simplify the issues. Rod will be present for the whole of the conference to give greater opportunity for one to one discussion and ministry. There will be input from myself, Rob Holmes and workshops from Nigel Berryman and one or two others. A potent brew is brewing. I hope you can come and get more intoxicated with Jesus Christ. We will be looking to encounter Him.

I hope you are planning to join with us. This is the only occasion where we get opportunity to connect all over Oz and it is the closest thing we have to a legalistic requirement: "thou shalt aggressively hang out together." The reality remains that it will require a greater effort for some people - but it is always more than worth the investment.

Brian Medway

EVENT DETAILS

The Conference will be held at the Grace Canberra venue:

Conference Sessions & Catering
All sessions and catering will be held in the Grace Canberra facility, Swanson Court Belconnen. The cost of Tuesday, Wednesday and Thursday lunch and morning/afternoon tea are covered in your registration fee.

Hanging Out Together
This will always be something we value. The afternoon breaks and evening meal times on Tuesday and Wednesday are designed to encourage you to be proactive and find people you want to hang out with and lock in some time together.

Session Input
The session times will involve quality input, interaction and ministry opportunity. We are going to do our best to listen to the Holy Spirit about the way this flows. There will be a combination of speaking and workshop sessions. In keeping with our theme, we will pick up some of the issues that are foundational for us and press further along the track then we have been on.

Telling Stories
We are asking member groups to consider preparing a three to five minute media presentation (video, power point etc) telling a story or two from your sphere and experience of ministry. These will need to be sent to us by the close of registration date (September 5th) so that we can load, cue and test them prior to the sessions. We are able to accept most common formats, so get creative and get to work.

All Further Information
All the information about airport transfers, directions and anything else you might need to know will be sent when we receive your registartion OR in reply to your specific request. Don't hesitate to contact our office. We are eager to serve you in any way possible. We want your experience in Canberra and at the Conference to be as loving as it is life changing.
